DEDICATION

For their 26 years of dedication to the Fredericktown Schools, we would like to dedicate the 1984 Crest to the kindergarten teachers, Mrs. Beverly Dremann and Mrs. Ruth Thomson.

These two teachers have dis-

played their love and devotion through these years and have been instrumental in getting all of us off to a good start.

We would like to wish them the best of luck in their future years of teaching.

King Scott Huvler and Queen Terri Tucker reign over the 1984 Junior-Senior Prom.

After a long and anxious wait, prom night finally arrived on Saturday, May 19. The fun-filled evening began with dinner at Mazza's Ristorante. After dinner the dance was held at the Mount Vernon Country Club.

Valet parking was provided through the efforts of sophomores Brent Bonfiglio, Matt Eric, and Scott Blaisdell. Disc jockeys were Alan Cunningham and Todd Tenney.

After prom was held at Mount Vernon Lanes. Everyone had a fun time bowling and watching movies at the facility.

Shelly and Rob make their grand entrance at Mount Vernon Country Club.

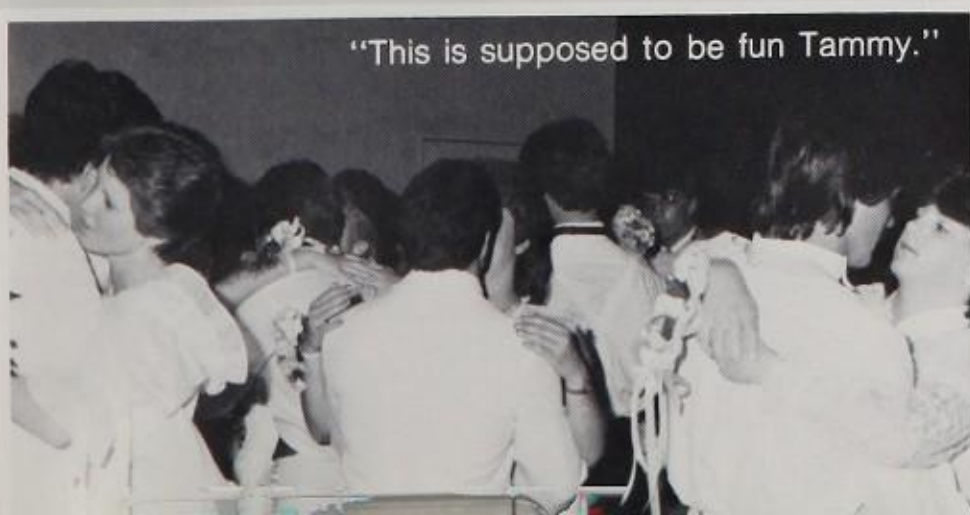

Forever Yours Faithfully

Alan and Todd spin the tunes.

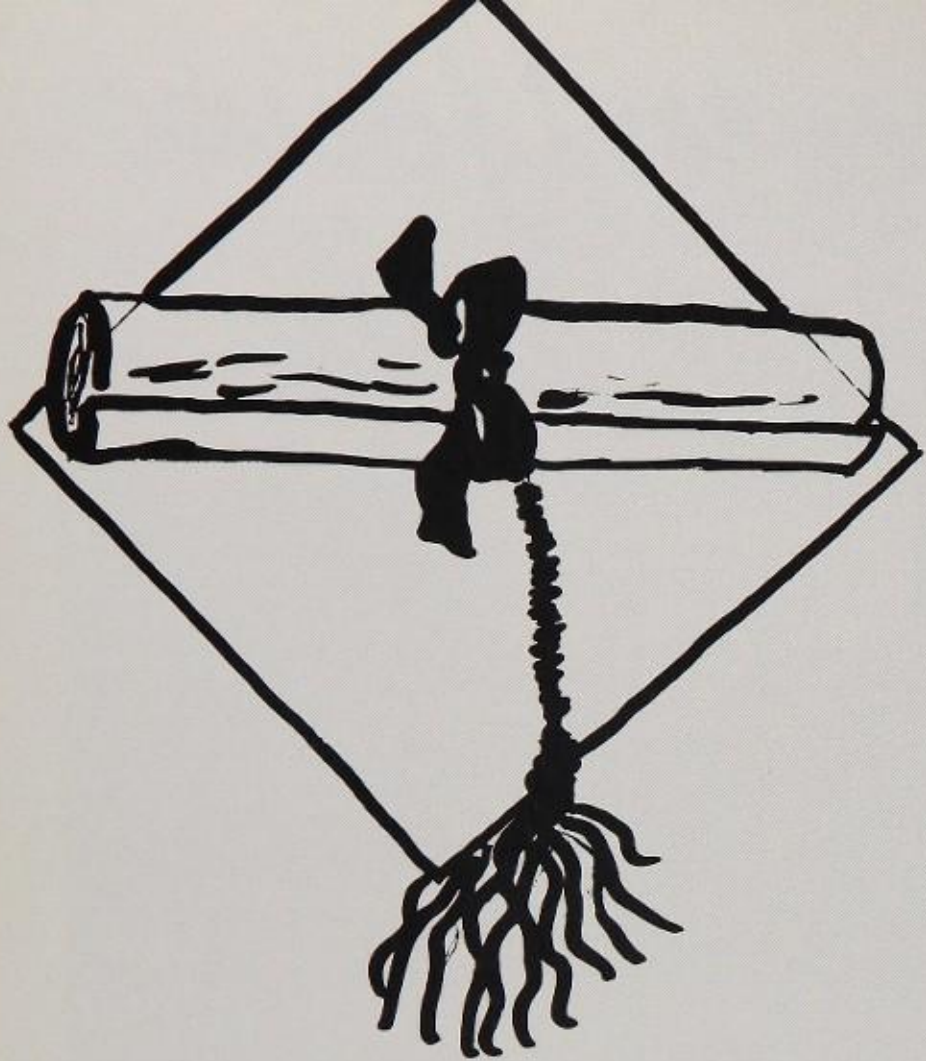

Advisors as well as students enjoyed dancing in the moonlight.

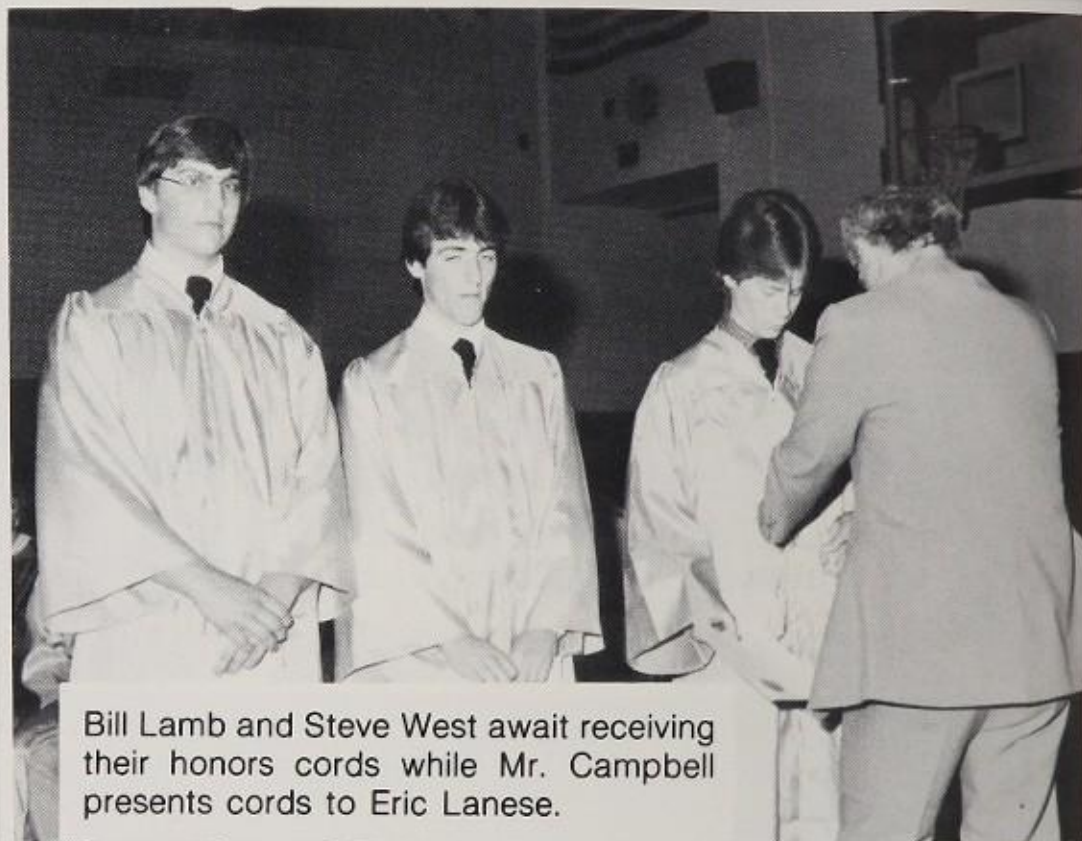

"This is supposed to be fun Tammy."

GRADUATION DAY

Today we'll start a new life
And we'll say our last goodbyes
To all the friends we've grown to love
With whom we've laughed and cried.

Remembering the fun and laughter,
The problems and the fears,
And watching all our memories grow
Throughout our high school years.
The memories of the dances
And the new friends that we've met,
Vacations, teachers, talking
And exams we'd rather forget.

Yes, high school days are precious but
brief,
Where all your dreams come true;
It is not the end, but the beginning
Of a life we'll start anew.

—Joy Shefstad

Salutatorian Tami Shira and Valedictorian Chris Blackburn are first to receive their diplomas.

Freshmen Visit Mohican State Park

Come on! It's not so steep!

Freshmen take a quick shower after a muddy walk.

The Freshman Class, lead by a team of experienced hikers, visited Mohican State Park this spring to explore various geographic formations, test soils, water, rocks and vegetation.

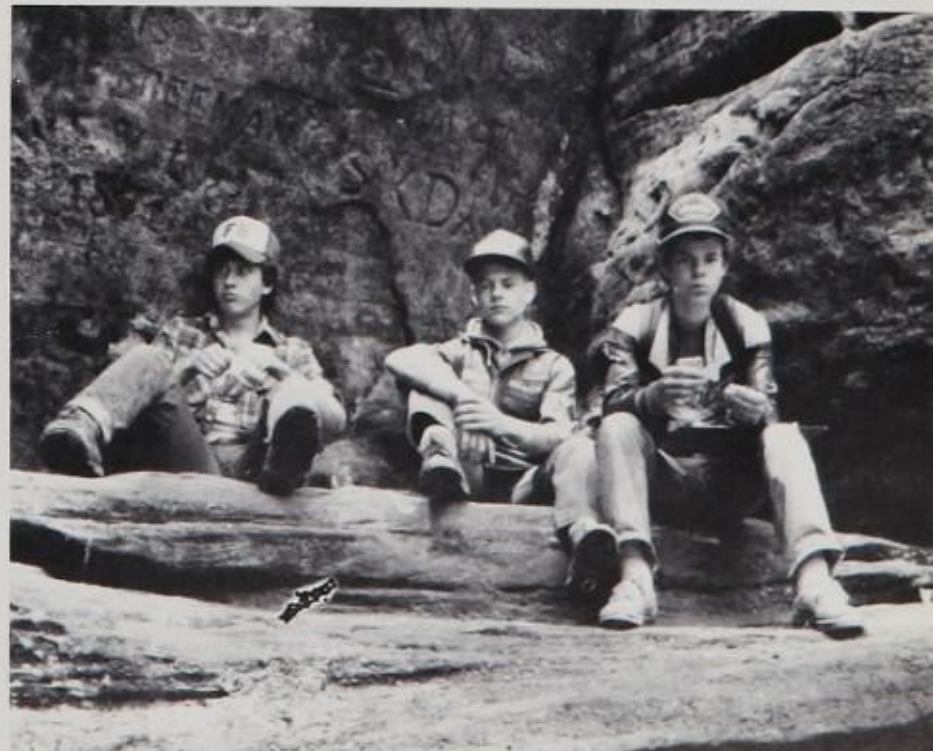

Many of the tour leaders included juniors and seniors of the advanced science classes. Several leaders were found to discover streams and puddles with the aid of the freshmen. Many leaders returned with the wet look.

Lunch on the trail.

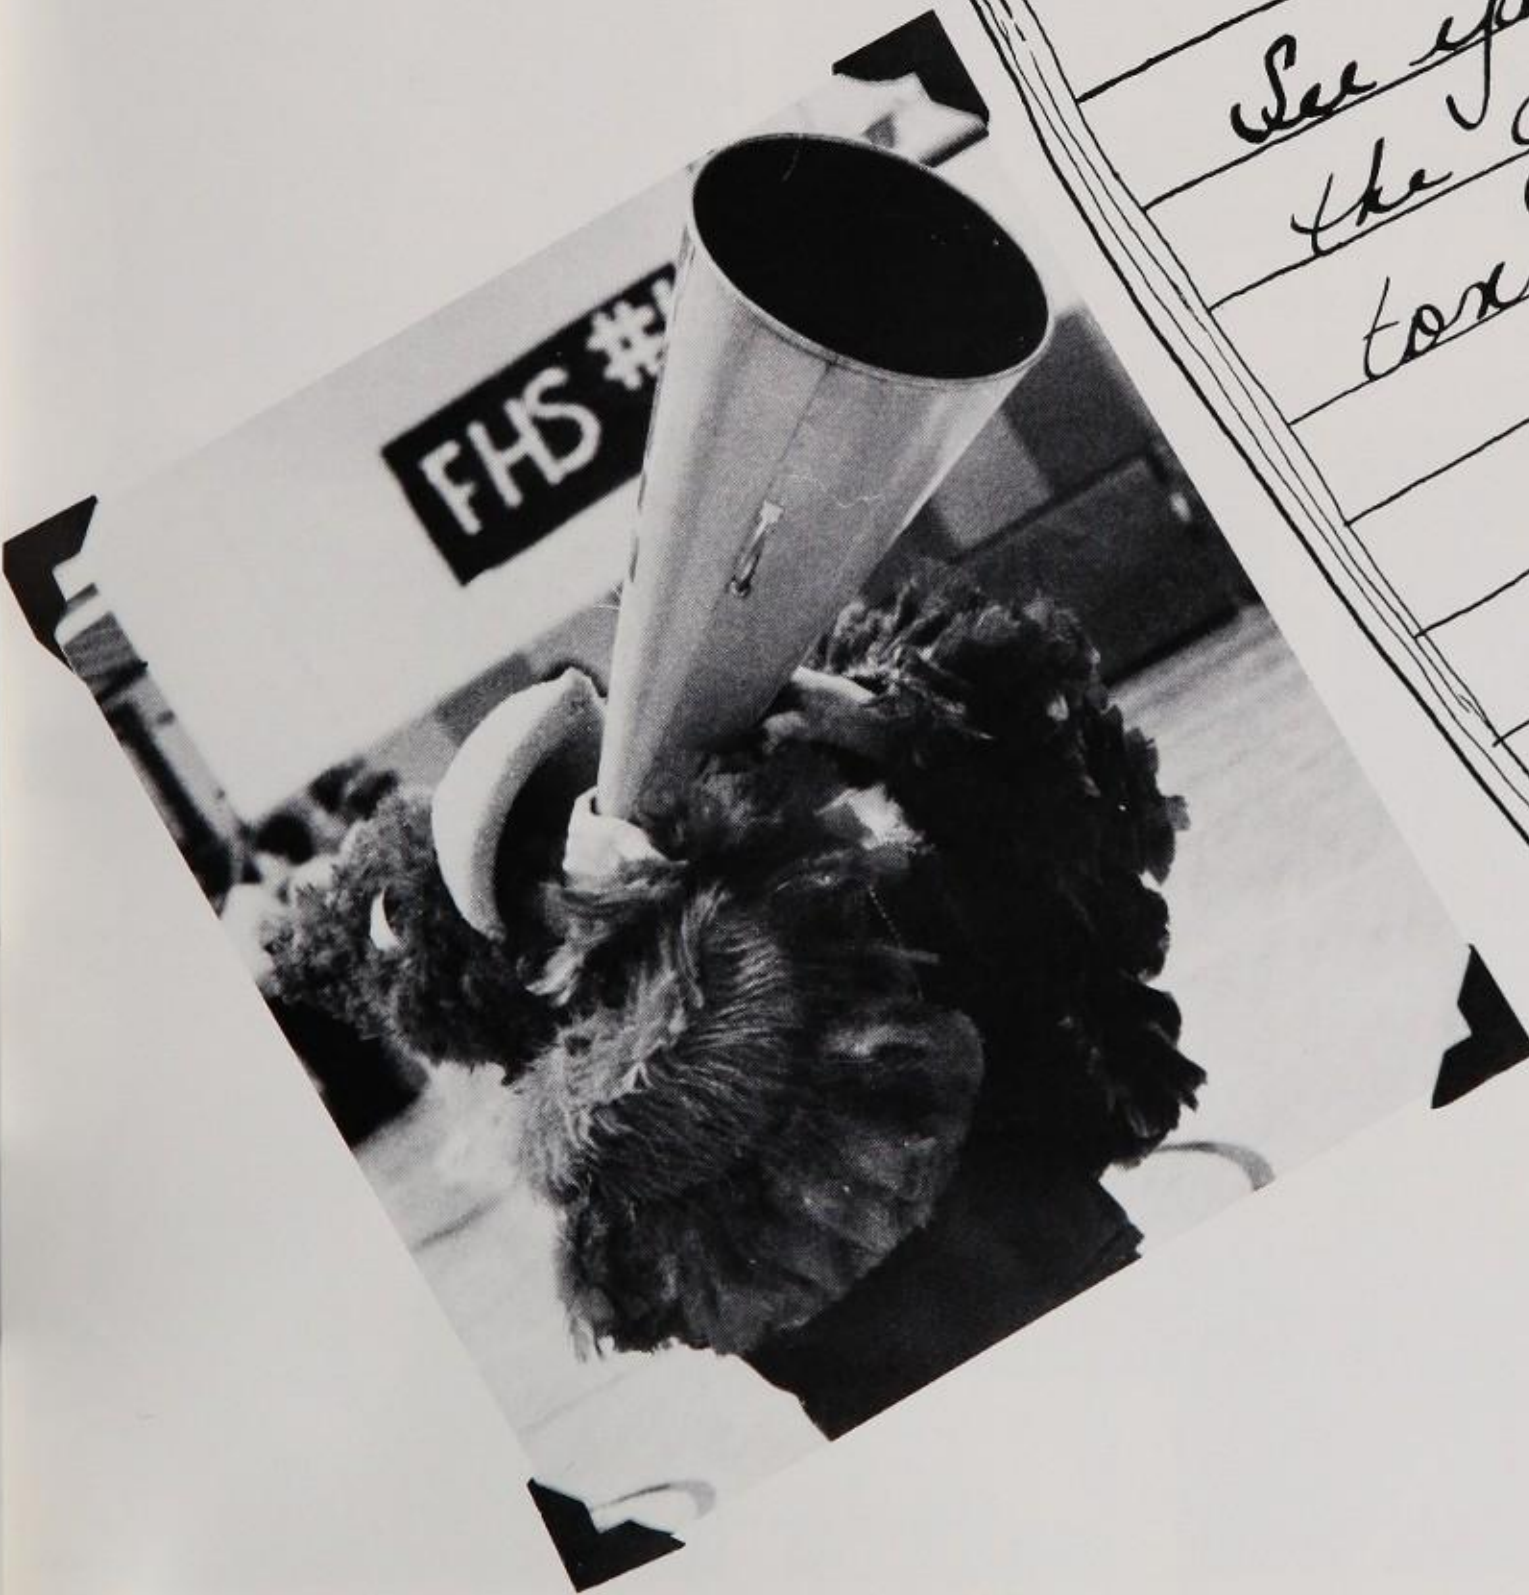

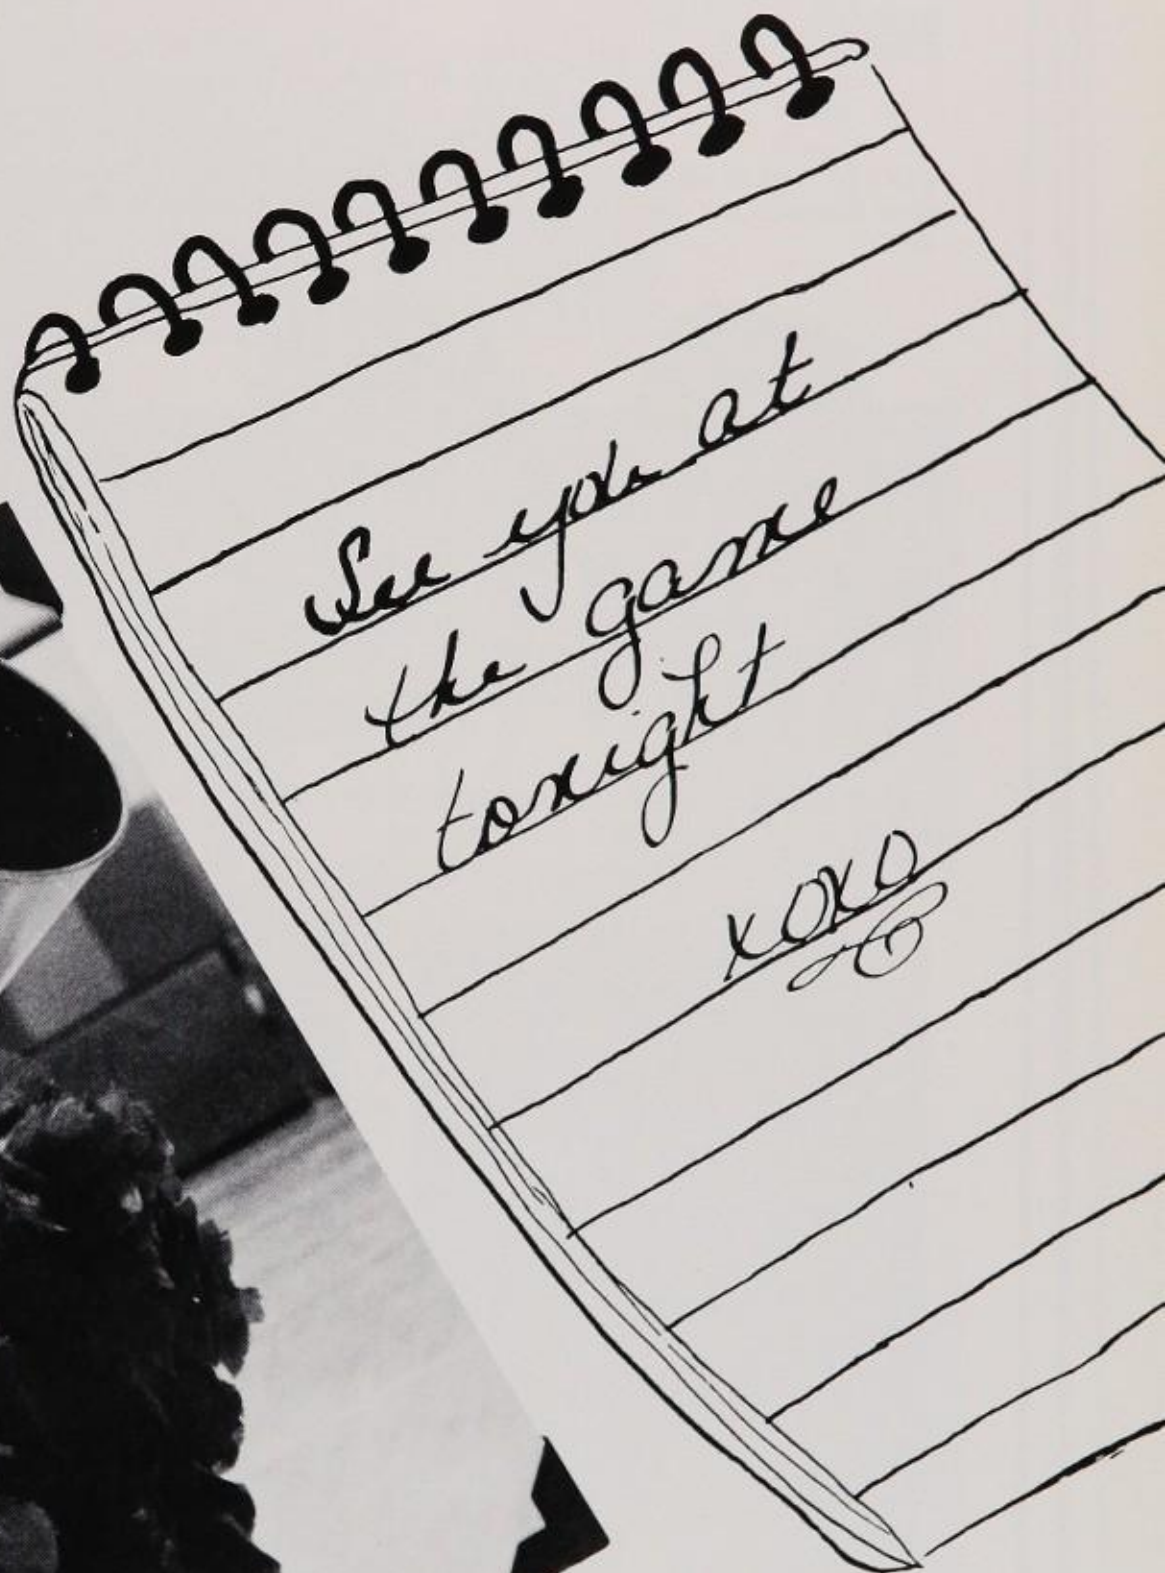

Hey! Does anyone know where we are?

CHAMPIONS

The 1983 football season can best be described as an exciting and rewarding year! With only six lettermen returning and the loss of the entire offensive line from the 1982 season, the Freddies were faced with a challenging situation. The Freddies met this challenge by going undefeated in league play (7-0), winning the Mid Ohio Championship, and finishing with a 9-1 overall record.

The key to their success was T-E-A-M-W-O-R-K! Sophomores, Juniors, and Seniors played together as a "team" especially on defense, where they registered five shut-outs and held their opponents to our average of 8.3 points per game. Offensively, a young line and veteran backfield set a school record (since 1966) for total yards.

Highlights of the season were victories over arch-rival Clear Fork, a Homecoming victory against Marion Catholic, and a 28-14 victory over state-ranked Crestline in the Mid-Ohio Championship game.

Dave Campbell established a single season rushing record (since 1966) by rushing for 1,303 yards.

Coach Emmets commented, "This team illustrated what can be accomplished by an athletic squad when the team is bigger than any individual. We are very proud of their accomplishments."

This year's Freshman schedule was one of the toughest ever. Our Team ave. 32 pt. a game oppt. ave. 5 pt. a game. Fred Murphey rushed 1,174 yds. for us this year. I think this year's team was the most talented football players of their age group. I've ever seen!!! I think there a bunch of good people!!

Fred. Vs River Valley 20-6
 Fred. V. Marion Pleasant 40-12
 Fred. Vs. Lexington 30-6
 Fred. Vs. Clear Fork 22-10

Fred. Vs Mt. Gilead 28-0

CC ON THE RIGHT TRACK

Senior CC members: D. Stewart, B. Tuttle, T. Pritchett

This was the first Fredericktown, CC team to have eight runners break 18:00 mins. in the 5000 m. run.

I see our team as a very improved CC team. Many goals were reached during the season and many goals were set for next season.

Dave Stewart, Senior 2nd placed All MOC, 7th place in Central District, Dave placed 41 in state meet. Dave this year set a new school record running the 5000m in 16:38.

I also see our girls' team as a very improving CC team. I consider this year's team a pioneer team. This is the first year for the girls' CC team.

The 1983 volleyball season was successful as the varsity ended the season with a 10-10 season, a first-ever sectional tournament win. The team, led by co-captains Venus Jittprasertsook, captain Jackie Brannon surprised many MOC foes and ended .500 (7.7) in the conference. The reserves finished with an 8-10 record, winning their last five out of six games.

Hard-hitting team members for 1984 are Doug Oliver, Tommy Craze, Manager, Mike Ackerman, Brian Quinn, Billy Bryant, Mike Steel, Earl Brannon, Brian Craft, Tim Craze, Lonnie Frazier, Manager. Row 2: Chris Brake, Statistician, Lisa Craft, Statistician, Scot Cline, Mike Lyon, Dan McQuigg, Craig Hinger, Paul Nunamaker, Doug Maxwell, Tim Stevens, Coach Tom Craze, Head Coach Bill Barr.

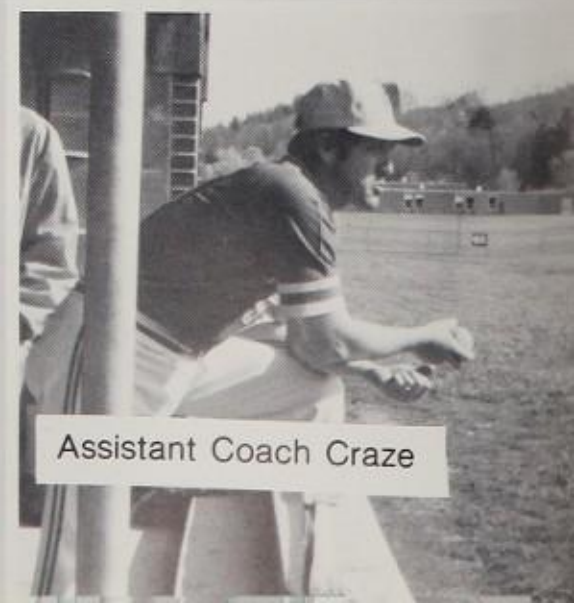

The 1984 season was highlighted by four big victories. The Freddies defeated the 14-0 Cardington Pirates 12-7 to record their first victory. The next victory game was against Northmor, which took a seventh-inning home run to lift the Freddies to an 8 to 7 dramatic finish. In tournament play, the Freddies fought to a 6 to 3 victory over Marion Pleasant having a 13 to 7 record at the time. In the next to last week of the season, The Fredericktown batmen beat Ridgedale five to four. Ridgedale played Ready High School in Columbus, Ohio, the next week for the single A sectional championship.

Though the Freddies finished with only a 6 and 13 record, they improved a 4 and 16 season from a year ago. The diamondmen lost some very tough games out of the 13 losses. Three were one-run games, five came down to the last inning, and one was decided in the eighth inning.

Jacob Furnis Is Top Salesman

Much of the sixth-grade year was spent in activities concerned with Outdoor School. The annual cheese and sausage sale in November was a success since we financed one-half of our trip. Jacob Furnis won top honors as high salesman. Mr. Grimm's class had the best team effort and celebrated with a pizza party in May.

The date of departure for Outdoor School finally arrived on April 2. The weather was abominable, and sickness was a problem for some; but we slogged our way through the mud to many honors and memories. Probably the top of the honors parade was our effort in food conservation. Fredericktown beat the old camp record for minimum food waste with a total throwaway of 13½ pounds for 100 students-over 12 meals. We were also commended for our diligence in the conservation project. The camp directors said that they had never seen harder workers. Our memories were as varied as our number. Highlights included canoeing, the ping-pong tournament, and Mohican Boogie.

Academic highlights of the year were the Family Living Unit, Death and Dying Unit, and other specials in each of the three classrooms. We finished the 1983-1984 school year with our annual 6th grade talent show. All in all, it was a good year for teachers and students alike.

Fifth Grade Joins Band

Earning first-aid certificates, joining band, and performing skits were some of the activities the fifth graders participated in. They also wrote essays about their favorite senior citizen for the Mount Vernon News. Read-ins were also enjoyed.

A group of students attended a computer fair at University of Akron, since Classrooms do have access to computers.

Mrs. Dearth's class and Miss Hatton's class participated in a Galleons Simulation, while Mrs. Mack's class learned about the United States by going on scavenger hunts.

Fourth Graders Have Busy Year

The fourth graders had a very busy, but interesting year. At the beginning of the year the students donated \$25 to help feed "CoCo", a chimpanzee from the Columbus Zoo. In return the classes received a certificate and a picture of "CoCo".

This year for the Christmas party, the fourth graders tried something different. Instead of buying gifts for a gift exchange, they purchased two Blue Spruce trees and planted them in front of the school. Mrs. M. Brown's class made Christmas favors to share with nursing home residents. At the nursing home they sang, recited poems, and gave them favors.

In January the fourth graders had a fun time taking swimming lessons. As a part of their physical education program, they participated in swimming lessons at the YMCA.

The highlight of Mrs. Jones's class was visiting handicap pen pals at Ranchwood School in Mansfield. Through classroom activities, the class became more aware and learned to understand the problems the handicapped have to deal with every day.

Third Grade Performs Operetta

For many years now, the third graders have received eggs from the extension office and have studied a unit on the development of the chick embryo.

This year their field trip to Roscoe Village was enjoyed by everyone. They had a fun time learning about the early restoration of an early Ohio town.

In the spring, the third graders put together an operetta. All the students participated in the operetta, Cinderella.

Second Grade Helps Restore Statue

The second graders were involved in many activities, from writing letters to President Reagan to making freezer pickles.

While Miss Thompsons class enjoyed writing to pen pals in Lberia Ohio, Mrs. Bises class corresponded with pen pals in Pheonix Arizona.

"Dragons, Wagons and Wax", a science tv program, was just one of the educational tv programs that the second graders watched. Some science projects included the study of magnets, a nutrition unit, and a dental health unit. At the end of the plant unit each class participated in a field trip to Kingwood Center.

With their new cursive writing skills, each second grader wrote a story for the Young Authors conference in Mount Vernon.

This year each second grade class took up collections to help the restoration of the Statue of Liberty.

First Grade Visits Zoo

Many activities have kept the first grade busy throughout the year. For the first time at Fredericktown, the first graders were introduced to the Apple IIe Computer.

In November, the classes studied the Thanksgiving story. At the end of the unit the children dressed like turkeys, pilgrims, and Indians, and enjoyed a Thanksgiving feast which they had prepared.

In January, nutrition was the topic of discussion. At the conclusion of the unit, a well-balanced breakfast was prepared by the students.

During mid-winter Mrs. Miller's and Mrs. Wade's classes had a super time at a roller skating party. Everyone, but the teachers, survived.

Eight students from first grade participated in the Young Authors' Conference held at Mt. Vernon. All first graders wrote and bound their own books and winners were then chosen.

The annual trip to the zoo came in May. This year the children were anxiously waiting to see the elephant and gorilla which they collected money to help feed.

Kindergarteners Off To A Good Start

This year Mrs. Thomson's a.m. class was awarded \$25 for turning in the most P. T. O. memberships. With the money, the class was treated to a special lunch which was prepared in the class room.

Next door, Mrs. Dremann's class enjoyed playing hide and seek with a pair of gerbils. The gerbils would hide, and the class would seek.

This yearbook could not have been possible without help from the following people:

The Yearbook Staff, especially those who have gone beyond the original assignment.

Miss Emily Clifton, advisor, for all the extra time she spent working and for all her original ideas.

Our yearbook representative, Mr. Chuck Campbell, for all his wonderful help.

Judy Divelbiss for all her wonderful photographic services. Without her pictures, we could not have put this yearbook together.

Our principal, Mr. Philip Petrie, for understanding the needs of the staff.

Most of all, we would like to thank the local merchants for purchasing ads. Without these advertisements, we could not have financed this yearbook.

Please forgive us for any mistakes we have made in this book; we have tried our best to put together an enjoyable book. In years to come, we hope that you can pick up this book and relive the year of 1984 here at Fredericktown High School.

Molly Beth Fox, Editor
1984 Crest

The heartbeat of FHS is its student
life . . . The way we act, the moments
of great joy and the sadness which we
now must put behind us, the things we've
said, or wished we'd said . . . the
times that mattered, the times slipped
by . . . was it yesterday in a dream
we arrived? Unknown and unknowing . . .
It is now, in another dream, we leave
forever?

Student life . . .

Student's life . . .

Students live.
